Hawaii's Amazing Fossil History

Tuesday October 13th at 7:00 pm
Kīlauea Visitor Center Auditorium

Fossil History of Hawai'i. Come and bone up on the fascinating fossil history of Hawai'i for **National Fossil Day!** Although Hawai'i didn't have dinosaurs, the fossils of Hawai'i are protected in its national parks and include human footprints in volcanic ash, extinct birds, and trees entombed by lava flows. Fossil expert **Joe lacuzzo** of the Ka'ū Learning Academy and anthropologist **Mark Sledziewski** share their expertise on the fossils of Hawai'i and other incredible fossil discoveries from around the world – including dinosaurs! Bring the keiki.

Program co-sponsored by Friends of Hawai'i Volcanoes National Park. For information, call (808) 985-6011.

Your \$2.00 donation helps to support Park programs. Park Entrance Fees Apply.
